MEMORANDUM FOR: Deputy Director (Support)

JAN 23 1957

SUBJECT: [REDACTED]

25X1A6a

Privately-owned Property Claim

1. This memorandum contains a recommendation submitted for the approval of the Deputy Director (Support). Such recommendation is contained in paragraph 3.

2. In accordance with the provisions of Regulation [REDACTED], the attached claim for reimbursement, in the amount of \$80.00 less depreciation, was considered by the Headquarters Board of Survey in a meeting held on 17 January 1957. Forwarded by the Chief, PX Division, with a recommendation for approval, this claim concerns damage to subject employee's PCS shipment of private property which occurred in transit to [REDACTED] December 1955. Upon unpacking in September 1956, a Stenotype machine was found to be damaged beyond repair; damage is attributed to packing and handling under nominal [REDACTED] Station instructions and security, cover considerations preclude a claim against the [REDACTED] carrier.

3. After review and deliberation of the evidence submitted, including photograph of the damaged machine, the members of the Board concluded that the claimant has sustained a loss of private property directly connected to service with CIA, and has been precluded, on security-cover consideration, from reimbursement in normal channels. The Headquarters Board of Survey unanimously recommends your approval of Mr. [REDACTED] claim, and reimbursement for the loss in the amount of \$40.00. (This amount has been determined by the application of a depreciation schedule, 10 per cent per year for eight years since purchase, with maximum depreciation 50 per cent of purchase price.)

4. All requirements for the submission of a claim under R [REDACTED] have been properly fulfilled by the claimant.

5. In view of the security factors incident to subject individual's assignment in the field station, it is necessary that any reimbursement on claim be made from Confidential Funds.
